# WELCOME TO DAMASCUS

*We are Hasan, Flora, Tamara and Rafi.*

*Damascus started as a shared dream between both of us, back in mid 2017.*

*We started with a gazebo, a couple of tables and a pizza oven, and we participated in every market and festival event that we could - including the beloved Harbourside Market.*

*Eventually, we opened our doors of our first "pop-up" restaurant at the Vogelmorn Bowling Club in late 2019. During those almost 3 years that we've stayed at the VBC, we were able to learn about the business, work on different techniques and sample numerous dishes.*

*On September 2022 we moved to our permanent spot at Tory Street, together with new challenges and goals.*

*And we have recently opened a takeaway shop called Alswaida at Kiosk 1/80a Willis Street.*

*We are really proud of sharing our food culture with the community and love being able to call Wellington our home.*

*Our story*
