

# WELCOME TO DAMASCUS

**We are Hasan, Flora, Tamara and Rafi**

Damascus started as a shared dream between both of us, back in mid 2017.

We started with a gazebo, a couple of tables and a pizza oven, and we participated in every market and festival event that we could - including the beloved Harbourside Market.

Eventually, we opened our doors of our first “pop-up” restaurant at the Vogelhorn Bowling Club in late 2019. During those almost 3 years that we’ve stayed at the VBC, we were able to learn about the business, work on different techniques and sample numerous dishes.

September 2022 met us opening our permanent spot at Tory Street, together with new challenges and goals.

We are really proud of sharing our food culture with the community and love being able to call Wellington our home.
